		Clinical Postings Time Table		
DATE	BATCH A	ВАТСН В	BATCH C	BATCH D
01-09-2022	Medicine Fever History taking ,etiology ,Type of fever and assocaited symptoms IM 4.9	SU28.2 - Demonstrate the correct technique to examine the patient with hernia and identify different types of hernias.	Prolapse, M/n conservative M/n, conservative surgeries & Vag hysterectomy (OG 31.1)	MADICATIONS FOR RELIFE OF JOINT PAIN
02-09-2022	Medicine General examination ,Skin examination and Lymphnode and abdominal examination IM 4.1	SU28.9 - Demonstrate the correct technique of examination of a patient with disorders of the stomach	Care of newborn including maturity assessment ,diagnosis & M/n of birth asphyxia & common problems (og 18.1, 18.2,18.3,18.4)	MIDSHAFT AND DISTAL HUMERUS FRATURES
03-09-2022	Medicine History taking Symptomology,past history,medical and family history IM 5.9	SU28.18 - Describe and demonstrate clinical examination of abdomen. Order relevant investigations. Describe and discuss appropriate treatment plan	Hormonal contraception classification (oral & non oral)& types & emergency contraception (og 21.1)	MONTEGGIA AND GALAEZZI FRACTURES
04-09-2022		Sur	nday	
05-09-2022	Medicine Ascites Per abdomen examination Ascites and its complications and diferential diagnosis IM 5.10 AND 5.11	SU28.18 - Describe and demonstrate clinical examination of abdomen. Order relevant investigations. Describe and discuss appropriate treatment plan	Indications, contraindications, non contraceptive uses & non hormonal contraception (OG 21.1)	DISTAL END RADIUS FRACTURES
06-09-2022	Medicine Jaundice General examination of sclera for jaundice ,interpretation of diagnostic test of LFT and Ascites fluid examination (Transduate and Exudate) IM 5.12	SU28.18 - Describe and demonstrate clinical examination of abdomen. Order relevant investigations. Describe and discuss appropriate treatment plan	IUCD & PPIUCD (OG 21.1, 21.2)	DISTAL END RADIUS FRACTURES
07-09-2022	Medicine Joint pain History taking ,etiology Differntial diagnosis and examination of joints IM 7.11 and 7.12	SU18.3 - Describe and demonstrate the clinical examination of ulcer and order relevant investigation for diagnosis. Describe and discuss appropriate treatment plan.		CASUALTY MANAGEMENT
08-09-2022	Medicine Hypertension History taking ,clinical features and complicatons IM 8.19 and Peripheral pulse and types of pulses IM 11.8	SU29.10 - Demonstrate a digital rectal examination of the prostate in a mannequin or equivalent	Revision	DAMAGE CONTROL ORTHOPEDICS
09-09-2022	Medicine Anemia General examination of pallor and oral cavity IM 9.4	MI8.7 - Demonstrate Infection control practices and use of Personal Protective Equipments (PPE)	Post ending examination	CLAVICLE FRATURES
10-09-2022	Medicine Differntial diagnosis of anemia and Diagnostic work up based on etiology IM 9.5 and 9.6	Posting End Exam	Post ending examination	PROXIMAL HUMERUS FRACTURES
11-09-2022	CACHALTYAAAAAACCCACC	Sur	nday	Hanne where the
12-09-2022	CASUALTY MANAGEMENT	Medicine Heart failure JVP Competancy IM 1.14 Mesuarment and demonstration of JVP Oedema types and causes (IM 10.13)	SU3.2 - Observe blood transfusions.	Haemorrhage in early pregnancy, different types of abortion, presentation complications & M/n) OG 9.1

NAMAGEMENT OF SOFT TISSUE INJURIES Medicine Diagnosis of case IM 1.16 SU10.3 - Observe emergency Resomplications & My 1.16 SU10.4 - Perform basic surgical procedures in simulated subtraction of ECG and X ray IM 1.17, 1.18 SU10.4 - Perform basic surgical procedures in simulated environment SU10.4 - Coursel patients and relatives on organ donation in displaced in organization of the procedure in simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the techniques of asseptis and suturing in a simulated environment SU10.4 - Demonstrate the steps in Basic IL (Es support. Medicine Clinical presentation of angina and AMI IM 2.9 SU17.2 - Demonstrate the steps in Basic IL (Es support. Medicine Clinical presentation of angina and AMI IM 2.9 SU17.2 - Transport of injured patient in a simulated environment Su17.10 - Recognize and manage tension of management Su17.2 - Transport of injured patient in a simulated environment Su17.1 - Recognize and manage tension of surgical patient in a simulated environment Su17.1 - Recognize and demonstrate the clinical environment Su17.1 - Recognize and m							
TISSUE INJURIES Medicine Diagnosis of case IM 1.16 1.5-09-2022 CLAVICLE FRATURES Medicine Interpretation of ECG and X ray IM 1.17, 1.18 Medicine Valvular heart dissuers (indications of valvotomy and valve relacement) in Medicine to facility of valvular heart dissaes (Indication of valvotomy and valve relacement) in Medicine to facility of valvular heart dissaes (Indication of valvotomy and valve relacement) in Medicine to facility of valvular heart dissaes (Indication of valvotomy and valve relacement) in Medicine to facility of valvular heart dissaes (Indication of valvotomy and valve relacement) in M.2.5 18-09-2022 MEDICATIONS FOR RELIFE OF JOINT PAIN Medicine Valvular heart dissaes (Indication of valvotomy and valve relacement) in M.2.5 18-09-2022 MIDSHAFT AND DISTAL Medicine Valvular heart disease case instoryand cardiac examination (Inspection and palpation) IM 2.7 20-09-2022 MONTEGGIA AND GALAEZZI FRACTURES Medicine Clinical presentation of angina and AMI IM 2.9 21-09-2022 DISTAL END RADIUS FRACTURES Medicine Diagnosis of AMI and Angina on ECG IM 2.1 Medicine Diagnosis of AMI and Angina on ECG IM 2.1 Medicine History taking occupational hazardes, discuss on presentation of surgical patient in a simulated environmen. Medicine Clinical presentation on four signification of surgical patient in a simulated environmen. Medicine Clinical presentation on four signification of surgical patient in a simulated environmen. Medicine Clinical presentation on four signification of surgical patient in a simulated environmen. Medicine Clinical presentation on four signification of surgical patient in a simulated environmen. Medicine Clinical presentation on four signification of surgical patient in a simulated environmen. Medicine Clinical presentation on four surgical patient in a simulated environmen. Medicine Clinical presentation of surgical patient in a simulated environmen. Medicine General examination and deugs on presentation of surgical patient in a simulated environmen. Medicine Gener	13-09-2022			surgical procedures and assist	Haemorrhage in early pregnancy, ectopic pregnancy & V. mole, presentation complications & M/n) (OG 9.3)		
Medicine Interpretiation of ECG and X ray IM 1.17, 1.18 sulturing and minor surgical procedures in simulated environment disasse Clinical feature disasse Clinical feature disasse Clinical feature disagnosis and severity of lesions IM 1.2 17-09-2022 MEDICATIONS FOR RELIFE OF JOINT PAIN PAIN PAIN PAIN PAIN PAIN PAIN PAIN	14-09-2022		=		Case based discussion on APH & M/n (OG 10.1,10.2)		
TRACTURES disease Clinical feature diagnosis and severity of lesions IM 1.2	15-09-2022	CLAVICLE FRATURES		Skills such as First aid including suturing and minor surgical procedures in simulated	Management of PPH (All types, diagnosis & M/n)		
Medicine Treatment of valvular heart disease (Indeication of valvotomy and valve relacement) IM 1.25	16-09-2022		disease Clinical feature diagnosis and severity of	relatives on organ donation in	History & examination in gynecological patient		
19-09-2022 MIDSHAFT AND DISTAL HUMERUS FRATURES Medicine Valvular heart disease case historyand cardiac examination (Inspection and palpation) IM 2.7	17-09-2022 N		valvular heart disease (Indeication of valvotomy and	techniques of asepsis and suturing in a simulated	Case based discussion on AUB (24.1)		
HUMERUS FRATURES disease case historyand cardiac examination (Inspection and palpation) IM 2.7 20-09-2022 MONTEGGIA AND GALAEZZI FRACTURES Medicine Clinical presentation of angina and AMI IM 2.9 DISTAL END RADIUS FRACTURES Medicine Diagnosis of AMI and Angina on ECG IM 2.1 22-09-2022 DISTAL END RADIUS FRACTURES Medicine Diagnosis of AMI and Angina on ECG IM 2.1 Medicine Chest x ray and Markers of AMI and its interpretation Medicine History taking occupational hazardes, discuss risk factor causing pneumonia IM 3.4 DIAGNOSCIPPORTICE Medicine General examination and respiratory system examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine History taking occupation Infertility and the presentation of the patient in a simulated environment and document the correct clinical examination of thyroid swellings and discuss the differential diagnosis and their management Medicine History taking occupation Infertility and the presentation of thyroid swelling and discuss the differential diagnosis and their manage	18-09-2022		Sur	nday			
steps in Basic Life Support. Transport of injured patient in a simulated environmen 21-09-2022 DISTAL END RADIUS FRACTURES Medicine Diagnosis of AMI and Angina on ECG IM 2.1 22-09-2022 DISTAL END RADIUS FRACTURES Medicine Chest x ray and Markers of AMI and its interpretation Medicine History taking occupational hazardes, discuss risk factor causing pneumonia IM 3.4 23-09-2022 PELVIC FRACTURES Medicine General examination and respiratory system examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia of thyroid swellings and discus the differential diagnosis and their management Suppose the and discuss the differential diagnosis and their management tract (OG 22.2 tract (OG 22.2 transport of injured patient in a simulated environment and simulated patient in a simulated patient in a simulated patient in a simulated provisonment. Suppose traction of Suprical patient including swelling and order relevant investigation for diagnosis. Describe and discuss appropriate treatment plan. Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine History taking demonstrate and document the correct clinical examination of thyroid swellings and discuss the differential diagnosis and their management Treatment protocol to cause & ART (management)	19-09-2022		disease case historyand cardiac examination (Inspection and palpation) IM		Case based discussion on Fibroid (OG 29.1)		
FRACTURES Medicine Diagnosis of AMI and Angina on ECG IM 2.1 patient in a simulated environment patient in a simulated environment M/n)(OG 27.	20-09-2022 N		· ·	steps in Basic Life Support. Transport of injured patient in	Infections of lower genital tract (OG 22.2, 27.4)		
FRACTURES Medicine Chest x ray and Markers of AMI and its interpretation PELVIC FRACTURES Medicine History taking occupational hazardes ,discuss risk factor causing pneumonia IM 3.4 PELVIC FRACTURES Medicine General examination and respiratory system examination and respiratory system examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination of thyroid swellings and discus the differential diagnosis and their management Treatment protocol to cause & ART (in the correct clinical examination of thyroid swellings and discus the differential diagnosis and their management Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination of thyroid swellings and discus the differential diagnosis and their management Medicine History taking demonstrate the protocol to cause & ART (in the correct clinical examination of thyroid swellings and discus the differential diagnosis and their management Medicine History taking demonstrate the protocol to cause & ART (in the clinical examination of thyroid swellings and discus the differential diagnosis and their management	21-09-2022			patient in a simulated	PID & Genital TB (presentation, diagnosis & M/n)(OG 27.27.4)		
Medicine History taking ,occupational hazardes ,discuss risk factor causing pneumonia IM 3.4 PELVIC FRACTURES Medicine General examination and deugs on pneumonia IM 3.5 PELVIC FRACTURES Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination and deugs on pneumonia IM 3.5 Medicine General examination of thyroid swellings and discus the differential diagnosis and their management Treatment protocol to cause & ART (in the protocol swellings and discus the differential diagnosis and their management) Sunday Prolapse, presenta	22-09-2022		Markers of AMI and its	manage tension pneumothorax, hemothorax and flail chest in simulated	Primary & secondary amenorrhoea presentation, diagnosis & M/n		
Medicine General examination and respiratory system examination and deugs on pneumonia IM 3.5 Medicine General examination and respiratory system examination and deugs on pneumonia IM 3.5 Sunday	23-09-2022	PELVIC FRACTURES	occupational hazardes discuss risk factor causing pneumonia	SU18.3 - Describe and demonstrate the clinical examination of surgical patient including swelling and order relevant investigation for diagnosis. Describe and discuss	Infertility causes, investigation & diagnosis including male infertility. (OG 28.1,28.2,28.3)		
26-09-2022 MIDSHAFT AND DISTAL SU25.5 - Demonstrate the Prolapse, presenta	24-09-2022	PELVIC FRACTURES	and respiratory system examination and deugs on	document the correct clinical examination of thyroid swellings and discus the differential diagnosis and their	Treatment protocols according to cause & ART (OG 28.4)		
	25-09-2022	Sunday					
of penumonia based on clinical the breast for breast swelling fetures IM 3.6 in a mannequin or equivalent	26-09-2022	MIDSHAFT AND DISTAL HUMERUS FRATURES	· ·	correct technique to palpate the breast for breast swelling	Prolapse, presentation, C/F & etiology		

27-09-2022	MANAGEMENT OF OPEN FRACTURES	Medicine Diagnostic test for penumonia (Sputum,Chest x ray and ABG IM 3.7	SU27.2 - Demonstrate the correct examination of the vascular system and enumerate and describe the investigation of vascular disease	Prolapse, M/n conservative M/n, conservative surgeries & Vag hysterectomy (OG 31.1)
28-09-2022	MEDICATIONS FOR RELIFE OF JOINT PAIN	Medicine Clinical fetures and diagnosis of pleural effusion IM 3.11	SU27.8 - Demonstrate the correct examination of the lymphatic system	Care of newborn including maturity assessment ,diagnosis & M/n of birth asphyxia & common problems (og 18.1,18.2,18.3,18.4)
29-09-2022	MIDSHAFT AND DISTAL HUMERUS FRATURES	Medicine Fever History taking ,etiology ,Type of fever and assocaited symptoms IM 4.9	SU28.2 - Demonstrate the correct technique to examine the patient with hernia and identify different types of hernias.	Hormonal contraception classification (oral & non oral)& types & emergency contraception (og 21.1)
30-09-2022	MONTEGGIA AND GALAEZZI FRACTURES	Medicine General examination ,Skin examination and Lymphnode and abdominal examination IM 4.1	SU28.9 - Demonstrate the correct technique of examination of a patient with disorders of the stomach	Indications, contraindications, non contraceptive uses & non hormonal contraception (21.1
