Dear Dr. Varsha Kandewad Jakkal,

Welcome to IAGES - Indian Association of Gastrointestinal Endoscopic Surgeons. On behalf of IAGES Executive Committee I am pleased to enroll you as a member of this prestigious association. Your Registration Number is 6912.

IAGES was started in 1993 by the Senior Laparoscopic Surgeons of that era under the leadership of founder President Dr T. Udwadia. In last 25 years, IAGES has progressed from an association of few surgeons to more than 6000 surgeons.

Today IAGES is based on the philosophy of academics and fellowship. I am sure you will also engrave yourself in the fundamentals of IAGES.

IAGES organizes many Training Courses such as FIAGES, FALS, EFIAGES, Suturing and Knotting Workshops, Laparoscopic Surgery Workshops. Every year in February, we have our National Congress at one of the major cities in India. As IAGES member, I am inviting you to participate in various courses and National Congress. For further information, please refer to our website www.iages.in (www.iages.org)

I am sure joining IAGES will help you in your career and bring you glory in future.
